Please tell us about yourself: (spouse, kids, hobbies / interest, etc.)

My wife Katie and our two kids, Ivy (4), and Maeve(3) moved into the neighborhood last August from Washington State. We enjoy exploring the local area on the weekends and are looking forward to fishing on the lake this summer.

Please write past experiences / work that qualifies you for a position on the Board of Directors:

I am a certified management accountant working on the corporate finance team at KinderCare Education supporting the annual budgeting and capital planning process. I also have experience at KinderCare negotiating strategic contracts to ensure the best results at the best price not lowest to form long term partnerships with suppliers.

What would you like to do for the association?

I would like to ammend the bylaws to reduce the number of petty rules this association has while maintaining a clean feel to the neighborhood. Among these I would like to allow backyard hens, basketball hoops, and allow you to do what you want in your backyard behind the fence. Texas is about individual freedoms and the current bylaws infringe on your rights to do what you want with your property.

Do you have any commitments that will restrict you from serving on the Board of Director? (Travel, Employment, other Meetings): I work from home and travel 3-4 times per year for work

By submitting this form and signing below, I acknowledge that if elected I accept those responsibilities as described in the Governing Documents of the Association. I am also aware that information provided on this questionnaire will be published on the website for homeowners only.
